

Md Shopon

Deep Learning Researcher | Programmer

2903, Unwin Road, Northwest Calgary, Calgary, Alberta, Canada • md.shopon@ucalgary.ca • + 1 (403) 890-8289
Linkedin: [md-shopon](#) • Github: [mdshopon](#) • Researchgate: [md-Shopon](#)

OBJECTIVE

As a dedicated scholar, I study the potential benefits of AI technology to improve the quality of human life. Among my many areas of expertise are deep learning, generative adversarial networks, computer vision, and the design and implementation of research tools. My main objective is to make deep learning-based solutions for practical problems that can be easily scaled.

PROFESSIONAL EXPERIENCE

SESSIONAL INSTRUCTOR

University of Calgary

Calgary, Alberta
SEP, 2022-Present

- Conducted the following courses:
 - CPSC 217 - Introduction to Computer Science for Multidisciplinary Studies I

GRADUATE RESEARCH AND TEACHING ASSISTANT

University of Calgary

Calgary, Alberta
SEP, 2020-Present

- Conducted the following courses:
 - CPSC 319 - Data Structures, Algorithms, and Their Applications
 - Data 211 - Programming with Data
- Designed and developed a graph convolutional neural network-based gait recognition system for biometric authentication.
- Developed a comprehensive classification of emerging traits in biometric de-identification.
- Developed a framework for estimating age from face, and the proposed solution was elected as runner-up for [guess the age](#) competition.
- Published two book chapters, three journal papers, and two conference papers in my Master's.

LECTURER

University of Asia Pacific

Dhaka, Bangladesh
SEP, 2018-Aug, 2020

- Conducted the following courses:
 - Structured Programming
 - Data Structures and Algorithms
 - Object-Oriented Programming
 - Pattern Recognition
- Served as the convener of the Career Development Club.
- Served as the trainer and co-convener of the Programming Contest Club.

TEACHING ASSISTANT

University of Asia Pacific

Dhaka, Bangladesh
APR, 2018- Aug, 2020

- Assisted different undergraduate-level courses and proctored for examination.
- Served as the trainer of the programming contest club.

DEEP LEARNING ENGINEER

Gaze Inc.

Dhaka, Bangladesh
MAY, 2017- Mar, 2018

- Developed a vehicle number plate detection and recognition system using sequential modeling and convolutional neural networks for the Meghna Group of Industries.
- Developed a custom face recognition and crowd traffic counting framework.

RESEARCH ASSISTANT

Machine learning lab, University of Liberal Arts Bangladesh

Dhaka, Bangladesh
FEB, 2017- Jan, 2018

- Developed an Android application for the ICT Ministry of Bangladesh to evaluate the aesthetic beauty of children's handwriting.
- Collected and developed one of the largest multi-purpose Bangla handwritten character datasets
- Developed an end-to-end solution for Bangla optical character recognition.
- Published one journal paper and four conference papers.

EDUCATION

P.HD IN COMPUTER SCIENCE

University of Calgary

Calgary, Alberta, Canada

SEP, 2022- *

M.Sc IN COMPUTER SCIENCE (THESIS BASED)

University of Calgary

Calgary, Alberta, Canada

SEP, 2020- July, 2022

B.Sc IN COMPUTER SCIENCE

University of Asia Pacific

Dhaka, Bangladesh

MAY, 2014-Mar, 2018

TECHNICAL SKILLS

- **Machine Learning:** Deep learning algorithms (Convolutional Neural Network, Recurrent Neural Network, Generative Adversarial Networks, Autoencoder), Predictive modeling, Decision analysis, Data Analysis, and Statistical Analysis.
- **Packages:** Keras, Tensorflow, Sci-kit learn, OpenCV, PyTorch,
- **Data Structures and Algorithms:** Advanced data structures, Dynamic Programming, Graph Theory, Trees, and Number Theory.
- **Operating System:** Strong knowledge of UNIX-based operating systems and Windows Operating Systems.
- **Programming Language:** C, C++, Java, Python, Matlab.
- **Other Technical Skills:** Adobe Photoshop, Git, Latex, Arduino, and Raspberry pi

PROJECTS

BanglaLekha:

- BanglaLekha is a Bangladeshi Govt. funded project for improving the aesthetic quality of Bangla handwriting.
- Developed the official website of BanglaLekha in WordPress.
- Developed the official android application of BanglaLekha.

Gait Recognition:

- A robust framework for gait recognition was developed that was capable of handling challenging gait patterns (Bulky cloth wearing, Free roaming, Bag carrying)
- A graph neural network was employed to develop this system.

Interpretable Visualization Tool for Convolutional Neural Network:

- This tool was developed as a course project for CPSC 683.
- An on the fly tool for visualizing the internal representation of pre-trained networks.
- This tool provides a filter, feature map, Grad-CAM, and Guided backpropagation visualization.

Twitter Fake Account Detection:

- This tool was developed as a course project for CPSC 601.50.
- Developed a deep-learning solution for detecting fake accounts.

Bangla OCR:

- Developed an end-to-end method for Bangla Optical Character Recognition.
- The system was developed using stacked LSTM-CNN architecture.

Survey Analyzer:

- A natural language processing-based survey analyzer system.
- This system was developed using context-aware natural language processing for extracting meaningful information from user surveys.

VOLUNTEERING

GRADUATE STUDENTS' ASSOCIATION (GSA)

University of Calgary

Calgary, Alberta

NOVEMBER, 2022-*

- Member of Newcomer and International Students Subcommittee.
- **Purpose:** Enhance the life and graduate school experience of newcomer and international GSA members through events.
- **Responsibility:** Develop ideas to enhance the experience of international students.

ORIENTATION LEADER

University of Calgary

Calgary, Alberta

MARCH, 2022-Sep, 2022

- **Purpose:** Facilitate the undergraduate and graduate orientation program for UofC.
- **Responsibility:** Helping incoming students with various activities.

MENTOR

Schulich Ignite

Calgary, Alberta

SEP, 2020-April, 2021

- **Purpose:** Free computer coding courses led by University of Calgary student mentors.
- **Responsibility:** Mentoring programming enthusiast students about programming and debugging

VICE PRESIDENT SOCIAL

Computer Science Graduate Society, University of Calgary

Calgary, Alberta

SEP, 2020-April, 2021

- **Purpose:** To promote student activity in UofC computer science graduate community.
- **Responsibility:** Organize different social events and activities.

MENTOR

Prospective Bangladeshi Students in Canadian Universities (PBSCU)

Dhaka, Bangladesh

AUG, 2020-*

- **Purpose:** A nonprofit organization aiming to change the attitudes toward higher studies in Canada for prospective students
- **Responsibility:** As a mentor, I mentor prospective students about their journey toward studying in Canada. From SOP writing to visa applications, I help prospective students.

CONVENER

Career Development Club, CSE-UAP

Dhaka, Bangladesh

SEP, 2018-May, 2020

- **Purpose:** Departmental club for UAP that works for students' career welfare.
- **Responsibility:** Organizing workshops, seminars, student counseling, and career advice.

CO-CONVENER

Programming Contest Club, CSE-UAP

Dhaka, Bangladesh

SEP, 2018-May, 2020

- **Purpose:** Departmental club for UAP that works for training students for competitive programming.
- **Responsibility:** Training students and organizing programming competitions. (Previously, was the president of this club during my student life)

HONORS AND AWARDS

- **Vice Chancellor's Award** - Spring 2015 (University of Asia Pacific, Dhaka, Bangladesh)
- **Vice Chancellor's Award** - Fall 2015 (University of Asia Pacific, Dhaka, Bangladesh)
- **Vice Chancellor's Award** - Spring 2017 (University of Asia Pacific, Dhaka, Bangladesh)
- **Vice Chancellor's Award** - Fall 2017 (University of Asia Pacific, Dhaka, Bangladesh)
- **Champion** - UAP Inter Department Programming Contest - 2015
- **Champion** - Programming Contest Section (UAP Hardware & Software Exposition - 2016)
- **Runner Up** - Guess the Age Competition 2021 (19th International Conference on Computer Analysis of Images and Patterns CAIP 2021, University of Salerno, Italy)
- **Ranked 8th in Canada** (IEEE XTREME, 15.0 International Programming Contest)
- **Alberta Graduate Excellence Scholarship (AGES)** - Received prestigious AGES scholarship for the period of 2022-2023
- **Champion** - 2022 CPSC Poster Showcasing, University of Calgary.

PROGRAM COMMITTEES

- **Problem Writer and Judge** - UAP Inter Department Programming Contest - 2019
- **Organizer & Head of Technical Committee** - 3rd UAP CSE, Software and Hardware Carnival
- **Judge** - Hackathon Section, 3rd UAP CSE, Software and Hardware Carnival

- **Problem Writer and Judge** - UAP Inter Department Programming Contest, 2018
- **Lead - Technical Team** - International Conference on Computer and Information Technology (ICIT), 2017
- **Lead - Technical Team** - ACM International Collegiate Programming Contest, Dhaka Regional, 2017
